- The proportion of your transactions represented by each card type.
- Personal debit cards.
- Personal credit cards.
- Business debit cards.
- These are the most commonly used cards for most merchants. If your Mastercard and VISA rates are in percent (%), you pay us a percentage of each card payment you receive. This varies depending on the type of card. If your Mastercard and VISA rates are in pence (p), you pay us a set fee per transaction. This also varies depending on the type of card. Whether you pay a percentage or a pence rate, you may also accept other card brands and types, which may cost more. You'll be able to find the cards you accept in your transaction information. You may be paying interchange and scheme fees on top of either rate.
- A card payment where the card, cardholder and merchant are all in the same place.
- A card payment where the card, cardholder and merchant are not all in the same place.
- A service for capturing and transferring payment data. Gateway fees are subject to VAT and in addition to costs for accepting card payments through schemes such as VISA or Mastercard.
- Charges relating to your compliance with card security and anti-fraud standards.
- The amount you pay if your monthly transaction charges do not meet a minimum agreed amount.

\*You may terminate your Merchant Agreement at any time by giving not less than one (1) months' written notice to Clover.
